

BEST MANAGEMENT PRACTICE (BMP) DATA REPORTING TO DEQ

FREQUENTLY ASKED QUESTIONS

Q1 Who should I contact if I have BMP reporting questions?

- For general BMP Warehouse reporting questions, please contact [Bill Keeling](#) or [Arianna Johns](#).
- For SWCGP System reporting questions, please contact DEQ's [Office of Stormwater Management](#).
- For MS4 reporting questions, please contact [Jeff Selengut](#).

Q2 Do BMPs reported as part of the Construction General Permit Notice of Termination (NOT) process need to be reported to the BMP Warehouse?

No. BMPs reported as part of the Construction General Permit NOT process (i.e., BMP data entered into the SWCGP System) should not be reported / entered into the BMP Warehouse. BMP data entered into the SWCGP System will be transferred into the BMP Warehouse by DEQ.

Q3 Do purchases of nonpoint source nutrient credits need to be reported to the BMP Warehouse?

No. Purchases of nonpoint source nutrient credits for MS4 permit compliance should not be reported / entered into the BMP Warehouse. However, purchases of nonpoint source nutrient credits for post-construction water quality compliance should continue to be reported / entered into the SWCGP System as part of the Construction General Permit NOT process.
